Kia ora whānau,
Welcome to Week 7 Term 3.

This week we have our Student Led Conferences, on Thursday. The children do not have normal school/classes that day, but please bring them along to their conferences. If you do not have anyone available to look after your child/ren that day please contact us by email admin@sunnyvale.school.nz. We will organise one of our release teachers to supervise them.

Last week we had our Maths-a-Thon. So many of our students worked so hard over the past 6 weeks to improve their scores. We are very proud of them. Their final sheets will be glued into their homework books. Those families that participated in the sponsorships can send the funds collected along to school. We will use these funds towards new basketball equipment.

This week we had our Lockdown/Police incident drill. We use an external provider, Harrison Tew, to do these drills to ensure we get it right. We used our HERO app to notify parents/whānau- which is how we would communicate in a real emergency. If you have not yet downloaded and logged into this FREE app- please do so. Contact Che in the office if you need a hand.

Our envirogroup had a great time harvesting kale and making kale chips on Friday. They said they were 95% nice! That's a win!

Have a great week,
Whaea Katie

REMINDER:

Please make sure to have a spare change of clothes in your child's bag for any accidents. This is especially important for our new entrant students.
